

hm21 Equinox

A robust collection of working and meeting tables with tubular steel legs and underframe, the hm21 Equinox table can be paired with any chair from our collection. It can be specified in a wide number of top finishes and legs can be painted in any RAL colour, as well as many plated finishes and black nickel.

Power, data and charging units can be integrated into the table top.

For more information, [click here](#).

Robin Phillips studied Product Design at Ravensbourne College of Art and Industrial Design at the Royal College of Art. After working for Heals and Conran in furniture retail, he joined Hitch Mylius as General Manager in 2007. He became a Director in 2011 and took over ownership of the company in 2021.

His designs include the hm19 Reveal collection and the hm45 Juno chair and sofa, and he oversees the in-house product range as well as collaborating with external designers.
