

hm45 Juno

An elegant & compact tub chair and 2-seat sofa with distinctive arm profile, Juno is a timeless and versatile collection. A higher seat & gentle curves make this range extremely comfortable - perfect for receptions and breakout spaces - hospitality interiors and residential spaces.

The collection can be upholstered in a wide choice of fabrics and hides, and multi-tone upholstery is available.

Robin Phillips studied Product Design at Ravensbourne College of Art and Industrial Design at the Royal College of Art. After working for Heals and Conran in furniture retail, he joined Hitch Mylius as General Manager in 2007. He became a Director in 2011 and took over ownership of the company in 2021.

His designs include the hm19 Reveal collection and the hm45 Juno chair and sofa, and he oversees the in-house product range as well as collaborating with external designers.
